## Chapter 1 by S ARah S ALeh

"Jessie! Come downstairs right now!"

"yeah mom whatever."

That is what I hear every single day. These latest years has been the same thing, Jessie having a fight with his parents and him throwing me away. I met Jessie for the first time when he was 5 years old, back then he was an adventurer (kinda). He loved to explore new things and bring me with him. I'm not some kind of human if you misunderstood, I am his old Teddy bear that has been thrown into his closet in a box of "old toys". My name is Mr rednose , well that name doesn't make sense becuase I clearly have a black nose. But he loved rudolf the rednosed raindear so I guess that is why.

Me and Jessie has been thru a lot before. I have seen him cry and I have seen him laugh. We were best friends. But a year ago something happend that made him change his mind about me and put me away.
